

# Nouman Mumtaz

Sr. UI/UX Developer

Computer Science Graduates, working in a Software Industry for 6 years, with my most recent experience being a UI/UX Developer, I possess valuable skills such as a good communication, high creativity and UX problem solver. I designed 500+ websites for clients in (Shopify, Word press, Big-Commerce, Woo-Commerce, Vizergy, simple landing pages etc). So, it is easy for me to translate business objectives into the user interface. My salient technical skills are HTML, CSS, Bootstrap.

## Work History

May - 2017

### UI/UX Developer

—

Codingcops Software Solution, Lahore, Punjab
